both inside and outside

We are licensed inside in the Drawing Room and outside in our Walled Garden or secluded Woodland. Please be advised that the cost to use these areas is included in your package, however, the cost of a Registrar to legally Marry you is an additional cost. We are licensed by the Essex Registration Service.

Begin your Wedding Day in our charming Coach House at East Mersea Hall, where a beautiful hair and make-up room awaits you. With plenty of space for your bridal or groom party, it's the perfect place to prepare for the celebrations ahead.

As night falls, the Coach House transforms into your first retreat together as a married couple. A lovingly prepared breakfast hamper will be waiting for you the next morning, so you can enjoy a peaceful start to your first day of married life.

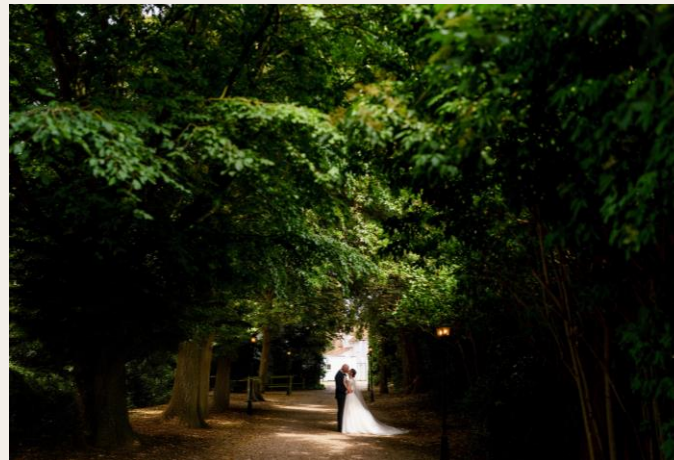

Available from 10:30am on the morning of your Wedding, the Coach House is exclusively yours to get ready in and to enjoy throughout the evening. Check-out is at 10:00am the following day.

We're conveniently located near Coopers Beach Holiday Park, where accommodation for your guests is available from March to October.

Additionally, the island offers boutique hotels and numerous Air B&B options. For guests staying further afield, Colchester hotels are just a 25-minute drive away. We can also suggest local taxi and coach services to ensure everyone arrives smoothly and on time.

Reception Drinks and Canapes

Whether you're dreaming of Pimm's, Prosecco, Bottled Beers or a sparkling blend of them all, we'll be ready to raise a glass with you as soon as you've said "I do."

Served alongside our Chef's exquisite canapés, it's the perfect way to celebrate your first moments as Newlyweds, surrounded by family and friends.

And, of course, no Wedding on Mersea Island would be complete without freshly shucked oysters which can be added to your package.

Wedding Breakfast and Evening Catering

From BBQs and Hog Roasts to elegant two or three-course meals, your Wedding feast can be as relaxed or as refined as you desire.

As the evening unfolds, delight your guests with wood-fired pizzas, fragrant paella, fish-and-chip cones, bacon baps, or perhaps a vibrant burger or gyros station to keep the celebrations alive well into the night.

Whatever you choose, your guests will be talking about the food from your day long after the last dance.
